### **Flagler County Sheriff's Office Triples Effort For "Feed Flagler"**

The Flagler County Sheriff's Office got strong community support this year in the effort to collect food and funds for the "Feed Flagler" campaign.

Flagler County Sheriff Donald W. Fleming credits the Flagler County Chapters of the Red Knights and Blue Knights for the success as well as the Fraternal Order of Police and Trinity Food Services.

"These groups were dedicated to this project. They solicited the community for donations and we really appreciate all their work. This is a great program and a tremendous benefit to the community," said Sheriff Fleming.

FCSO employees did their part by bringing in canned goods for the project with the end result being several hundred cases of food.

"Last year we fell short of our goal. This year, we reached out for support and we are proud to have partnered with these organizations," the Sheriff said.

Flagler County Sheriff's Office's Major Mike Plummer, left, and Major David O'Brien are pleased with the donations collected for "Feed Flagler".
